

Five Conversations You Must Have with Your Daughter

by Vicki Courtney

ABOUT THE BOOK

For mothers with girls ages zero to eighteen, *Five Conversations You Must Have with Your Daughter* is indeed a must-have book. In it, bestselling author and youth culture expert Vicki Courtney helps moms pinpoint and prepare the discussions that need to be ongoing from cradle to college so their daughters will know the truth about life before they believe the culture's lies.

To fully address the dynamic issues and influencers at hand, several chapters are written for each of the conversations, which are:

1. You are more than the sum of your parts
2. Don't be in such a hurry to grow up
3. Sex is great . . . and worth the wait
4. It's OK to dream about marriage and motherhood
5. Girls gone wild are a dime a dozen—dare to be virtuous

The book also includes invaluable tips on having each conversation across the various stages of development: five and under, six to eleven, twelve and up.
