

Little Mercies

Celebrating God's Everyday Grace and Goodness
by Lynn Coulter

ABOUT THE BOOK

Christians know the Psalm about living a happy life—"This is the day the Lord has made. Let us rejoice and be glad in it." But it's hard not to look around and be distracted by the fact that we are living in a broken, fallen world. Sometimes, there's so much bad news coming from the media that it's fair to ask: is there any other kind?

In *Little Mercies*, acclaimed essayist Lynn Coulter answers, "Yes, there is. There is some very Good News indeed, and it has a name. Jesus."

Across sixteen thoroughly engaging chapters with titles like "Fly Fishing," "Singing Behind the Plow," and "Making Biscuits," this talented writer reintroduces the reader to the grace-full God who is in the details, the One who appears when we simply dial down some of the noise that surrounds us.

"Little mercies are the earthworms that loosen the rock-hard soil in your garden; the laughter we hear coming from a playground; and a second chance at anything," Coulter explains. "With practice, all of us can grow grateful hearts."

BEST-SELLING POINTS

- Acclaimed essayist Lynn Coulter (*Family Circle*, *Southern Living*) helps weary souls learn to experience the millions of miracles—big and small—that God offers us each day.
- Coulter's previous book, *Mustard Seeds*, received a starred review in *Publishers Weekly*: "Readers will find strength from Coulter's story and solace in God's promises regarding faith and grace."

ABOUT THE AUTHOR

Lynn Coulter has written about spirituality, travel, books, nature, and gardening for *Sky*, *Family Circle*, and *Southern Living* magazines as well as The Weather Channel, Lionel Trains, and the *Atlanta Journal-Constitution*. She has also received literature grants from the Georgia Council for the Arts and the Society of Children's Book Writers and Illustrators. Lynn graduated summa cum laude with a degree in Journalism from Georgia State University and now lives with her family near Atlanta.
