

American Heroes

In the Fight Against Radical Islam

by Oliver North

with Chuck Holton

ABOUT THE BOOK

A *New York Times*, *Wall Street Journal*, and *Washington Post* best seller, updated and expanded with a new chapter on events in Afghanistan and an exclusive access code linking to three online episodes of *War Stories!*

In *American Heroes*, Oliver North offers an inspiring, first-hand account of the extraordinary young American volunteers defending us against radical Islamic terror. Since 9-11-01, North and his award-winning *War Stories* documentary team have made a dozen extended trips to Afghanistan, Iraq and the Philippines covering U.S. soldiers, sailors, airmen, Guardsmen and Marines for FOX News Channel. With extensive experience as a decorated military officer, a counter-terrorism expert and as a documentary filmmaker embedded with American combat units, he has a unique perspective on the enemy we face and the qualities of those who protect us.

Illuminated by more than 300 full-color images, *American Heroes* offers a close-up of this generation's "citizen-soldiers" who have chosen the path of the patriot and gone into harm's way for their countrymen. North's unprecedented access, his grasp of history and his lucid reports from the crucible of combat make this a stirring chronicle of courage, commitment, compassion, and faith. Thank God for American heroes.
