

Black Belt Patriotism

How to Reawaken America
by Chuck Norris

ABOUT THE BOOK

The *New York Times* best seller now available in a trade paper edition!

Chuck Norris says, "*Black Belt Patriotism* is my critique of what is destroying our country, and offers my solutions for rebuilding America and restoring the American dream. It's 'black belt' in the sense that it is strong, resolute and to the point, like a roundhouse kick. It's 'patriotic' in the sense that it recaptures the vision of America's Founding Fathers. I wrote this book in the hope that future generations of Americans can continue to enjoy life, liberty, and the pursuit of happiness

"It doesn't take many people to foster a revolution. Jesus did it with twelve disciples. George Washington did it with his few suffering troops at Valley Forge. And we can do it today. We can set a new direction for America with people like you and me, who through our efforts in our communities and at the ballot box and in our personal lives can make this country everything it should be."
